

Badgerland Early Renewal Incentives

April 1 - June 30, 2024

Who's eligible?

Any member with a 2023-2024 membership can renew for the 2024-2025 Girl Scout year.

Why renew now?

Girl Scouts, troops, and Service Units get fabulous goodies for renewing in the spring!

Who handles membership renewals?

Troop Co-Leaders typically manage renewals using funds earned by the troop throughout the year. Parents/caregivers should inform their troop leaders of their intent to renew their Girl Scout membership and ensure that the troop is overseeing the renewal process. Alternatively, you can renew your memberships directly through your MyGS account without relying on your troop leader.

How do we pay for our troop to renew?

Most troops use troop funds to renew volunteers and youth. Please note that a youth cannot be denied participation due to a family's inability to pay and troop funds should be used to purchase membership for these folks.

What about financial assistance?

Requests for financial assistance must be made by the Girl Scout's parent or caregiver via our financial assistance form: <https://bit.ly/3RQtpuK>

Make sure your troop is insured at the start of the Membership Year!

One benefit of membership is ensuring that your troop has activity accident insurance for registered members when participating in activities that include incidents at meetings and trips (under three-nights).
