

2024 Adventure Point Cookie Rewards

Girl Scouts earn the number of Adventure Points at their final earning level. They can either choose 1 item from that level OR mix and match their points and choose items from multiple levels.

For example, if a girl earns 10 Adventure Points, they could either choose the IL Adventure OR the Gorilla Line Outdoor Ninja Course (7 points) AND the Girl Scout Day at the Brewers (3 points).

ARE YOU GOALING TO EARN CAMP AS A COOKIE REWARD?

We strongly encourage you to hold a spot by registering and paying the deposit on February 15 when camp registration opens. We expect most camps to fill quickly (especially Horse Camps)! Deposits will be refunded when Cookie Rewards are confirmed.
