

Corporate Cookie Connections Patch Program

Through the Corporate Cookie Connections Patch Program, Girl Scouts will build their skills in communication, organization, and responsibility as they learn about building cookie partnerships and closing a deal! Should they choose to put these skills to the test, they can also grow their sales by partnering with companies to sponsor large-scale cookie donations.

Companies who partner with girls, not only get to keep or donate delicious Girl Scout Cookies, but they receive sponsorship benefits. Girl Scouts who obtain these sponsorships receive credit for the full number of boxes in ABC Smart Cookies and Digital Cookie, helping them reach higher levels of rewards.
