**TROOP COOKIE COORDINATOR EXPECTATIONS**

Girl Scout girls and adults participating in product sales activities should have a positive learning experience and maintain their responsibility toward the Girl Scout Law, including:

As part of this responsibility, Girl Scout parents/guardians granting permission and volunteers handling funds are accountable for forwarding proceeds from the sale of products to the council and the troop. Girl Scouts of Wisconsin – Badgerland reserves the right to use available alternatives to ensure proper collection of funds. Following contact by council representatives regarding overdue funds, the account will be turned over to a collection agency or the courts for action.

If a troop is unable to collect money from the sale of a portion of its products, the Troop Cookie Coordinator should keep a record of all contact efforts attempting a resolution, and contact a Council Product Sales staff member. If further assistance becomes necessary, you must complete a Delinquent Parent form and attach a signed permission slip, signed receipt(s) and documentation of amount due.

In case of theft documented by a police report, we would expect the loss to be covered by personal insurance. If so, additional time will be allowed to collect from the insurance company. If not covered by insurance and not documented, payment in full is expected; however, payment arrangements can be made. Contact a Council Product Sales staff member for further information or assistance.

-----

By signing below, I understand and accept the responsibilities associated with taking on the duties, as outlined in the position description, as the Troop Cookie Coordinator for my troop and accept the financial responsibility associated with the position. I will attend training on a yearly basis and adhere to the timelines and procedures set forth by the council and the Community Product Sales Manager. At anytime during the Girl Scout year, I understand that if I do not follow these procedures, I may be removed from my position as Troop Cookie Coordinator and/or Troop Co-Leader.

I understand that if the troop bill is not paid in full by the set deadline, our troop bank account will be frozen. To regain access to the account, I (or another troop representative) will need to make an appointment with a Girl Scout Service Center to amend the situation. I also understand that unpaid bills will also be turned over to a collection agency and that legal action will be pursued.
