

# 2025 Girl Scout Cookie Program

## Parent/Guardian Responsibility Form

Complete and return to your Troop Leader before February 22, 2025.

Your Girl Scout's Name

Troop #

I grant permission for my daughter named above to participate in the 2025 Girl Scout Cookie Program.

### By signing this form, I agree to the following:

- I accept responsibility for all cookies and all money my child owes for cookies.
- I understand I am financially responsible for all cookies we have received. To help manage my family's cookie inventory, I will be in contact with my Troop Cookie Coordinator with any concerns of unsold boxes. Each troop may return a number of unopened, non-written on cases of cookies before March 20. The amount each troop may return is based on how many Girl Scouts in the troop are selling.
- Checks from cookie customers should be written to the troop or to Girl Scouts of Wisconsin - Badgerland and not to my family personally.
- All cookies will be sold for \$6 per box. Failure to turn in all monies owed for cookies will result in collection and/or legal action.
- **"On My Honor" we will not sell cookies or take orders prior to the start date of February 22, 2025.**
- Badgerland Bucks earned in the 2025 Girl Scout Cookie Program expire on September 30, 2025.
- I will ensure my Girl Scout has supervision at all times while participating in the Cookie Program; if my Girl Scout is under age nine, they will be supervised by myself or a responsible person over age 16 during door- to-door sales.

### Badgerland Online Cookie Marketing Guidelines:

- Absolutely no online cookie transactions may occur other than via their Digital Cookie site. Girl Scouts 13 and older, with parental permission, may promote their Cookie Program on their personal social networking sites.
- Parents can promote their child's Cookie Program on their personal social sites but the Girl Scout must complete the sale. Example post: "My child is selling Girl Scout Cookies. Contact me if you are interested." The parent would then serve as the conduit for interested family and friends with the Girl Scout completing the sale.
- Badgerland defers to parents to make the best and safest online marketing choices for their child. Girl Scouts using online sites to market their cookie sale must have parent/guardian permission to do so, and a Girl Scout must never give identifying information about themselves on the Internet. Last names, addresses, troop numbers, schools, etc. should never be published on the Internet.
- If my Girl Scout will be utilizing the Internet during her cookie sale program, my Girl Scout and I have completed the Girl Scout Internet Safety Pledge, found on the Badgerland website.

# 2025 Cookie Rewards

Girl Scouts earn rewards based on the number of cookie boxes they sell, including Cookie Share cookies, digital cookie sales and booth sales.

## HOW IT WORKS

Rewards are cumulative, meaning Girl Scouts will choose one item from each selling level. At the end of the sale, the Troop Cookie Coordinator will order whatever reward(s) they earned, based on their final selling level.

**Large Plush Panda**  
**\$15 Badgerland Bucks**  
**\$15 Philanthropy Donation**

Adventure Point selections 2 points and higher will be made after the sale concludes. Girl Scouts who earn 2+ APs will be contacted by Badgerland. See the Adventure Point Catalog for awesome AP Rewards!

## Badgerland Bucks

These come in the form of a gift card and can be used on items in our shops, or to cover memberships, programs and camp fees.

**Expire 9/30/2025.**

## Philanthropy Reward

Instead of choosing a traditional reward item, Girl Scouts can choose to make a donation to the pandas coming to the Smithsonian National Zoological Park. Girl Scouts who choose the Philanthropy Reward earn the 2025 Philanthropy patch.

## EARNED PATCHES

Girl Scouts will get these from their Troop Cookie Coordinator at the end of the sale.
