

Girl Delivery Cookie Share orders from Digital Cookie

Do your Girl Scouts have girl delivery cookie share orders they need to fill from their Digital Cookie orders?

To determine the number of cookie shares ordered via Girl Delivery or Donation ONLY, run the following report from ABC:

Report Criteria

Girl Cookie Order Details

Troop Level	All
Girl Name	
Order Type	All
Begin Date	All
End Date	Direct Ship
Unit Of Measure	Girl Delivery
	Pre-Sale Girl Delivery
Select View Type	PDF

[Go to Report Listings](#)[Reset](#)[View Report](#)

When you click “view report”, it will provide you with ALL Girl Delivery orders a Girl Scout had in Digital Cookie. The first cookie flavor is Cookie Share. At the end of the orders list for each Girl Scout, the report will show the Troops total for all flavors and then each Girl Scouts total for all flavors.

Using the Troop total, you’ll know the total number of cookie shares that come from Girl Delivery Digital Cookie Sales.

Using the Girl total, you’ll know the total number of cookie shares that come from a Girl Scouts Girl Delivery inventory. You need to inquire with the Girl Scout to see if they have inventory from cookies previously given to them to fill this order OR if you will need to take these out of the troops inventory OR if you need to order more cookies in to fill these cookie share cookies.

If the Girl Scout has the inventory, there is nothing more to do in ABC as the GS already has credit for these sales. You need to have the Girl Scout set these aside for donation to their cause or the troops cause.

If the Girl Scout does NOT have inventory to fill these, does the troop? If you do, you’ll do a Troop to Girl Transfer for the cookie varieties you will be using to fulfill these orders. You will list the number of packages of each flavor that will be donated. Use the Packages (NOT the Booth packages) column for this transfer since the Girl Scout has received financial credit for these sales.

If the Girl Scout nor the Troop has inventory to fill these cookies, a Troop will need to get them from another troop or through a Council Cupboard location no later than April 14.

Don’t forget to also get cookies to fill any cookie share that may have come from Booth donations or from a Girl Scouts in person Order form!
