# NEW TROOP LEADER

Week 6

## WELCOME NEW TROOP LEADER!

This is the sixth in a series of 9 emails you will receive from us recommending 'next steps' and what to do to help you become a confident leader. Watch for a new email weekly on *#TrainingTuesday!*

In Girl Scouting, the safety and well-being of girls is our top priority. This Training Tuesday email highlights resources and courses you'll need to follow all safety guidelines.

### 3 Resources to Review This Week

#### 1. Volunteer- to-Girl Ratios

For any Girl Scout activity, you always need to have at least two

unrelated adults (at least one female) in attendance. **This chart** will help you determine how many adults your troop needs.

## 2. Safety Course

It is crucial for Troop Leaders to have an understanding of what is required when it comes to safety practices, emergency procedures, and how to be prepared to lead activities safely. Check out the **Girl Scout Safety Course** on gsLearn for all the details.

## 3. First Aid Kit

For most troop activities, Girl Scouts recommends that at least one volunteer be First Aid/CPR/AED certified. Be sure to have a **First Aid Kit** during any troop meetings or activities.
