NEW TROOP LEADER

Week 8

WELCOME NEW TROOP LEADER!

This is the 8th of the 9 emails you will receive from us recommending 'next steps' and what to do to help you become a confident leader.

Have you had the chance to explore the Volunteer Toolkit (VTK) and all that it has to offer? Perhaps this is the first time you've heard about VTK. Either way, that's A-OK and we've got you covered!

VTK is a web app that has everything you need for a whole year of Girl Scout planning in one convenient place. Accessible from phones, tablets, or computers - this fully customizable planning tool will be your go-to resource for leading your troop.

You will be able to plan and track meetings and achievements for your Girl Scout year and share information with your Girl Scouts' caregivers.
