Girl Scouts *Your* Way

Resources

Community Connections

Our Preferred Community Connections Partners have a Certificate of Insurance on file with Girl Scouts of Wisconsin - Badgerland and have agreed to follow the Safety Activity Checkpoints for the various badge and patch earning activities they offer. We have a variety of digital download resources for troop leaders to access to help guide badge earning meetings. Badge in a Booklets provide you with a variety of options for how to earn a specific badge. These booklets are multi-level; if you are looking for single level badge pamphlets, those can be found in Volunteer Toolkit in the instructions for each badge.
