

HILLTOP Camp Brandenburg

Dane, WI 53529
608.849.5274

Maximum Occupancy: 34

Hilltop is the jewel of Camp Brandenburg. The clever architecture seamlessly blends the lodge with the outdoors. The four bunkhouses are built on sloping land, featuring window-lined staircases that climb the hillside, creating a sensation akin to being in a treehouse. The heart of Hilltop Lodge is a spacious and contained outdoor activity area with a fireplace for pudgie pie dinners and gooey smores. Each bunkhouse comfortably sleeps eight campers, with two additional cots in the main living area for chaperones. The entire lodge is equipped with electricity, heating, and air conditioning. Two indoor restrooms are in the commons area, with multiple bathroom facilities and shower stalls. A fully equipped kitchen makes meal prep and clean-up easy for the grown-ups. With everything under one roof, Hilltop is ideal for overnight programs for younger campers, providing a comfortable and convenient camp experience.

Girl Scouts always leave a place better than we found it. You are responsible for any damage to buildings or grounds that happen as a result of your stay.

Land Acknowledgement

We humbly acknowledge that we are on the ancestral lands of the Fox, Ho-Chunk, Kickapoo, Myaamia, Peoria, Sauk, and other nations and tribes. In honoring their rich history, culture, and people, we extend our deepest respect to our First Nation and Indigenous Girl Scouts, volunteers, families, and communities.
