Mindoro, WI 54644

**Maximum Occupancy: 38**

Camp Ehawee is located in the Coulee Region of Wisconsin in La Crosse County near the small town of Mindoro, about 25 miles northeast of La Crosse. The area is defined by narrow ridges separated by steep-sided valleys resulting from water erosion. The camp is set on 283 acres of forests and prairies intermingled with streams and wetlands. “Ehawee” in the Ho-Chunk language means “Laughing Maidens.” Camp Ehawee grounds include an outdoor swimming pool, platform tents, a yurt, Crystal Creek, outdoor amphitheater, softball and soccer fields, basketball & sand volleyball courts, an archery range, and two lodges for large group use.

Night Sky Lodge’s quiet atmosphere is perfect for your retreat or meeting any season! With the Black River as a back drop, your group will surely enjoy the experience.

Girl Scouts always leave a place better than we found it. You are responsible for any damage to buildings or grounds that happen as a result of your stay.

### **Land Acknowledgement:**

The Girl Scouts of Wisconsin-Badgerland honor the special connection between the land and Indigenous peoples. A land acknowledgment is a way of showing respect to the original people who have lived on and cared for this land for thousands of years. We recognize that our camps and communities are located on the ancestral lands of the Fox, Ho-Chunk, Kickapoo, Myaamia, Peoria, Sauk, and other Indigenous nations and tribes.

Acknowledging the land is important because it helps us remember the history, culture, and contributions of these nations and show respect for Indigenous communities, including our First Nation and Indigenous Girl Scouts, volunteers, families, and communities. At camp, Girl Scouts will have a chance to learn more about Indigenous history and traditions through activities and stories, deepening our understanding and appreciation for the land we share. If you want to learn more, we encourage you to ask questions, read books about Indigenous history and culture, and attend local events. Showing respect and learning from others are important parts of being a Girl Scout!
