

# Badgerland Multi-level Badge Bundles

## Order by July 25, 2025 for a guaranteed September pick up date.

Badgerland Badge Bundles are available for troops, Juliettes, or individual Girl Scouts in the GS Badgerland council to purchase. Each badge will take roughly 2-3 hours of meeting time for younger Girl Scouts. Older Girl Scouts may need extended work time for some of the requirements either at your meeting or at home. The amount of time a take action project takes will vary based on the type of project your group selects.
