Your Girl Scout's Name

Troop #

☐ I grant permission for my child named above to participate in the 2025 Badgerland Fall Fundraiser.

By signing this form, I agree to the following:

The Badgerland Fall Fundraiser is an opportunity for Girl Scouts to build skills while helping to raise funds for troop activities. Your support of your Girl Scouts Badgerland Fall Fundraiser experience is important. Help them reach their individual and troop goals, set up their online store account, meet deadlines to turn in money and review their order card for accuracy.

- "On My Honor" I will not take any in-person orders prior to the October 1, 2025 start date.
- I will be responsible for the acceptance of and delivery of all products ordered.
- I accept responsibility for all products and money they receive. I understand that all monies accepted on behalf of the troop must be returned to the troop leader or troop product sales chair at the time the order is due.
- I understand my Girl Scout must be accompanied by someone 16 years or older when selling.
- Checks from customers should be written to the troop or to Girl Scouts of Wisconsin - Badgerland and not to my family personally.
- Badgerland defers to parents to make the best and safest online marketing choices for their child. Girl Scouts using online sites to market their sale must have parent/guardian permission to do so, and a Girl Scout must never give identifying information about themselves on the Internet. Last names, addresses, troop numbers, schools, etc. should never be published on the Internet.
- Badgerland Bucks earned in the 2025 Badgerland Fall Fundraiser expire on September 30, 2026.

Philanthropy Reward

Instead of choosing a traditional reward item, Girl Scouts can choose to make a donation to the grizzly bears at Henry Vilas Zoo in Madison. Girl Scouts who choose the Philanthropy Reward earn the 2025 Philanthropy patch.

Badgerland Bucks

These come in the form of a gift card and can be used on items in our shops, or to cover memberships, programs and camp fees.

Expire 9/30/2026.

2025 Badgerland Fall Fundraiser Rewards

Girl Scouts earn rewards based on the total dollar amount sold, including Care to Share, order cards, and online sales. Rewards are cumulative, meaning Girl Scouts will choose one item from each selling level.

If the troop chose to opt out of rewards, Girl Scouts will NOT receive any of these items.
