

Badgerland Early Renewal Incentives

April 1 - June 30, 2025

Who's eligible?

Any member with a 2024-2025 membership can renew for the 2025-2026 Girl Scout year or if you purchase an extended year membership for Membership Year 2025 and 2026.

Why renew now?

Girl Scouts, troops, and service units get fabulous goodies for renewing in the spring!

Who handles membership renewals?

Each troop handles membership renewals differently, so please check with your Troop Leader to learn what your troop typically does. Some troops use funds earned during the year to cover membership costs, while others ask families to pay for renewals so that troop funds can go toward uniforms, badges, awards, and activities.

How do we pay for our troop to renew?

Most troops use troop funds to renew volunteers and youth. Please note that a youth cannot be denied participation due to a family's inability to pay. Learn more about Badgerland council's financial assistance below.

What about financial assistance?

Requests for financial assistance must be made by the Girl Scout's parent or caregiver via our financial assistance form: <https://bit.ly/3ROtpuK>

Make sure your troop is insured at the start of the Membership Year!

One benefit of membership is ensuring that your troop has activity accident insurance for registered members when participating in activities that include incidents at meetings and trips (three-nights or more).
