Emergency Action Plan

Please review the emergency contact information in this packet, the emergency numbers are posted by the phone at Hawk’s Nest or Hilltop. Upon arrival at Kinderspielen establish emergency procedures and a meeting place in case of fire. If Med Flight is needed, prearranged coordinates for pick up are next to the gate near Hilltop in the field to the east of the entrance gate.

The person in charge of a troop/group is responsible for reporting any injury to Badgerland Council that requires treatment by medical service personnel. This must be done the first business day after the injury occurs.

**Poison ivy, poison oak, wild parsnip, wood ticks and deer ticks are present at Camp Brandenburg. Leeches are found in Lake Katrine. Be sure to familiarize yourself with each of these pests. Do your best to avoid them and learn how to deal with them should you come in contact. **

Property Policies

Safety
At least one adult in the group needs to have completed the Troop Overnight Certification (found at gsbadgerland.org under Volunteer> Volunteer Training). TOC 1 is for indoor overnights and TOC 2 is for outdoor overnights.

Adults in charge are responsible for following Safety Activity Checkpoints (also found at gsbadgerland.org under Volunteer> Volunteer Resources). Review appropriate adult-to-girl ratios for your activities. Every adult needs to have a completed background check. Make certain that any male volunteers have separate sleeping quarters for any overnight stay.

- No snowmobiles or motorized wheeled vehicles are permitted on the property.
- Firearms are not permitted on Girl Scout property at any time.
- Pets are not permitted anywhere on Badgerland properties, with the exception of service animals, and by specific permission of the Council CEO.
- Do not post information about the property site and key codes online

Controlled Substances
No alcoholic beverages may be consumed at girl activities or when minors are present at Girl Scout adult events. No smoking, illegal drugs or misuse of substances is allowed in any Badgerland Council building or on any property. Disruptive behavior due to alcohol consumption or drug usage will result in immediate dismissal from the site.

Cleaning
Badgerland Council does not have janitorial service clean our sites. Each troop or group staying at a site is responsible for removing garbage and recyclables and cleaning the site per check out instructions. All donations to property must be approved by the Property Supervisor. Please do not leave unwanted items behind.

Property Closure
All sites are subject to immediate closure per designation by council. Every effort will be made to find an alternate date or property, or a full refund will be issued.

Cancellation Policy
Fees for any council property reservation may be refunded only with a written request at least two weeks prior to the date of the reserved stay. If weather conditions make transporting girls dangerous, leaders must notify the council of the cancellation before they are scheduled to arrive at the property.

Emergency Contact
We ask that all Badgerland Council property reservations provide the council with an off-site emergency contact person. The emergency contact must have a full camper roster and emergency contact information for all participants on-site. This person should be listed on your reservation form.
