Welcome Camp Ehawee Leadership Campers

Exciting adventures await!

At Camp Ehawee, whether she is combing Crystal Creek for frogs or putting on a play at Stry Stage, she is collecting v memories and creating friendships that will last a lifetime. Activities like archery, swimming, arts and crafts, games, and songs aren't just fun at camp. They are the foundations for building courage, confidence, and character in every Girl Scout for a lifetime.

This packet has all the info to prepare her for a terrific camp experience. Please read it and let us know if you have any questions.

Thank you for choosing to share some of your summer with us at Girl Scout camp.

Happy Camping!

Bill Thornton

Badgerland Camp Director

Who to Contact with Questions about Camp

Badgerland Customer Care Team

info@gsbadgerland.org

American Camp Association

The health and safety of campers attending Badgerland camps is our utmost concern. We constantly assess and enhance our training and safety standards to provide a safe camping experience. Badgerland camps meet the highest standards set by Girl Scouts of the U.S.A. and the American Camp Association. ACA accreditation is earned only after successfully meeting ACA's high standards encompassing 300 areas of review. The strict requirements necessary to earn accreditation are recognized nationally and are often equal to, or stronger than, those from local or state officials. Learn more at acacamps.org.

Before Camp Checklist

Name of Camp Program _____

Camp Start Date _____ Camp End Date _____

1 Month Before Camp - Get Those Forms Completed!*

- Camp session fees paid in full by June 1 ([page 14](#))
- Health Information completed through [CampDoc.com](#)
 - Camper Background Information completed through [CampDoc.com](#)
 - Camper Release Information completed through [CampDoc.com](#)
 - Code of Conduct 2022 downloaded, read and signed, then uploaded to [CampDoc.com](#)
 - Confirm any accommodations needed for behavior, health, or dietary needs in CampDoc
- Speak with your child's doctor about getting a travel size of any prescription medications

2 Weeks Before Camp*

- Make any final changes/updates to health information completed through [CampDoc.com](#)
- Start writing letters for your camper. These can be dropped off in our camp mailbox at check-in or sent by mail. For information on communicating with your camper ([page 12](#))
- Talk to camper about applying bug spray
- Talk to camper about applying sunscreen
- Talk to camper about ticks, what they look like, and how to check for them ([page 6](#))
- Talk to camper about being away from home and who to talk to at camp if she is feeling homesick ([page 9](#))
- Complete the *Letter to My Counselor* and submit ([page 18](#))
- Review packing list and identify items you might need to purchase ([page 15](#))

Day Before Drop-Off*

- Pack! Use the packing list provided ([page 15](#))
- Place Trading Post money in an envelope with the camper's name and amount to drop at check-in ([page 11](#))
- Place medications in original containers in a Ziploc bag with the camper's name to drop at check-in ([page 5](#))
- Revisit applying bug spray, sunscreen, checking for ticks, and how she feels about going to camp
- If you haven't yet, write letters to your camper to be dropped off in our camp mailbox at check-in or to deliver by mail (please be aware of the mail timeline to ensure your camper receives mail while at camp.) You can also refer to [page 12](#) for more tips on staying in touch with your camper at camp.
- Review driving directions to camp

Day of Drop-Off

- Pack car including her luggage, medication, Trading Post dollars, letters from you and a snack.
- Review the "Day Before Drop-Off" checklist above to ensure all steps are complete.
- Review check-in procedures and driving directions to camp.
- See you soon.

***CHECK FOR HEAD LICE.** A helpful resource is www.cdc.gov/parasites/lice/head/ or see [page 6](#). It is recommended to do checks routinely between now and camp departure. Campers with head lice are not permitted to attend camp.

Camper Paperwork & Health Information

CampDoc.com

Badgerland Camps use [CampDoc.com](https://www.campdoc.com) for online health and related camper background records. Camp Staff will review your camper's health and dietary needs prior to attendance. This allows us to adequately prepare for all of our camper's needs and/or accommodations and reach out with any clarifying questions.

Visit [CampDoc.com](https://www.campdoc.com) for more details on their system and security measures.

IMPORTANT

You will receive a "Welcome Email" with information about how to complete your camper's health information and other forms.

- Click the link in the email to set the password for your CampDoc.com account.
- Follow the instructions and complete or update the information for your camper. Alerts will appear for any missing required information.
- Download and upload any required documents to your CampDoc.com account.
- Return to CampDoc.com at any time to make changes/updates to your camper's health information before camp begins.

Physical Exams

A medical physical exam is required for all campers staying three nights or longer. The exam must have occurred within 24 months prior to attendance at camp. Although the exam can be up to 24 months prior, *a new form signed must be signed by a medical professional each year*.

Forms signed by a medical professional should be uploaded to [CampDoc.com](https://www.campdoc.com). According to state health regulations, health exams may be given by a qualified nurse practitioner, physician's assistant, or registered nurse (RN) working in cooperation with a licensed physician. Copies of school or sports physicals are acceptable if they meet the above requirements and provide all of the necessary information from the physician.

COVID Protocol

- Effective June 2022, all Badgerland overnight campers (girls and adults) are required to be fully vaccinated against COVID-19. A complete vaccination conforms with CDC recommendations dependent on your vaccine series: two doses for Pfizer and Moderna, and one dose for Johnson & Johnson. A booster dose is preferred but not required. Proof of vaccination will be completed in your Campdoc profile.
- Masking requirements will be managed on a camp-by-camp basis dependent on guidelines recommended weekly by the La Crosse County Health Department.
- Do not attend if you are experiencing COVID symptoms.
- Unregistered adults are not permitted beyond the check-in point due to COVID restrictions. These adults will drop off their camper at the check-in site and camp staff will lead her from there.

Medications

- All medications brought to camp, prescription and over-the-counter, must be listed in [CampDoc.com](https://www.campdoc.com)
- All medications are given to the Health Supervisor on opening day and dispensed by the Health Supervisor or a certified medical professional during the camp session (asthma rescue inhalers and epi-pens are kept with the camper's staff at all times).
- ALL medications must be in their original containers and must be labeled with the pharmacist's label, showing the camper's name and directions for use. (Ask your doctor about requesting travel sizes of prescription medications.) This includes vitamins and over-the-counter medications. Without this, the medication cannot legally be given to your camper.
- The Health Office has first aid supplies as well as over-the-counter medications such as Children's Tylenol, Ibuprofen, Benadryl, Tums, Pepto-Bismol and head lice shampoo. Do not send these medications.
- Ensure medications are accessible to be turned in to the Health Supervisor at check-in.

Her Safety is the Top Priority

All camp staff complete a 10-day training period that includes: Girl Scout Safety Activity Checkpoints, Girl Scout Safety Guidelines, American Camp Association (ACA) Standards, WI State Standards, Emergency Procedures, Behavior Management, Homesickness, Child Abuse Awareness, Risk Management, On-site and Off-site Trip procedures, fire building and extinguishing training, Diversity training, and Waterfront/Pool Safety. Additional training is required for staff working at the waterfront, archery and leading trips. All staff are certified in a minimum of First Aid, CPR and automated external defibrillators (AED). Camp Ehawee's Health Center is equipped with an AED, first-aid supplies and emergency equipment.

Campers learn about camp emergency procedures within the first 24 hours of arrival, and participate in an emergency drill during their stay. Campers learn about our severe weather procedures and where to go during an emergency. The camp has three weather radios (two are portable) located in the Camp Office, Director's Housing, and Camp Health Center. Along with utilizing the weather radios to monitor the weather, local officials and Girl Scout office staff will contact camp to inform us in the event of approaching severe weather.

Visitors to camp are met by camp staff and escorted to the Camp Office where they are issued a visitor tag, and escorted by a staff member around camp. ALL staff members have a 2-way radio for constant communication.

The camp staff will contact parents about their camper in the event of:

- Significant or extensive homesickness that affects the camper's ability to enjoy the camp experience.
- Illness or injury that requires care from a doctor or hospital.

Outdoor Safety

Here are helpful hints on how you can help protect your camper while she is living and playing in the woods:

- Encourage body cover (long pants, shirts, socks, hats) as appropriate for the weather and activities.
- Shirts should be tucked in at the waist; socks should be pulled over pant legs.
- Apply an insect repellent containing 10-30 percent DEET (recommended for children) and up to 50 percent DEET (for adults). Reapply per package directions throughout the duration of the activity. We recommend spraying the repellent on clothing rather than skin when feasible.

Lyme Disease

In Wisconsin, Minnesota, and the eastern coastal states, this bacterial disease is transmitted to people and animals by the bite of the deer (bear) tick (*Ixodes dammini*).

West Nile Virus

West Nile Virus is now in most of the United States. The most frequent way people become infected is through the bite of an infected mosquito.

For additional information about Lyme Disease and West Nile Virus, contact your local Public Health Agency or:

- Wisconsin Department of Natural Resources: 1.888.936.7463 or www.dnr.state.wi.us
- Wisconsin Department of Health & Social Services: 608.266.1865 or <http://dhs.wi.gov>

IMPORTANT TO NOTE

Part of what campers are learning at camp is to take personal responsibility for themselves and learn independence. While we ask that campers take personal responsibility to use insect repellent, sunscreen, and wear appropriate clothing, camp staff will remind them frequently to use it and to make sure they are wearing clothing appropriate to the activity they are participating in. If your girl needs additional assistance at camp, she will be helped by the Camp Nurse.

Head Lice

Since head lice is highly contagious, please do periodic checks prior to your camper's departure date. It is disappointing to campers if head lice is identified during check-in. If a camper is found to have evidence of nits or lice, they are not permitted at camp. Please do checks leading up to check-in day to allow time for treatment of your child should it be needed. Visit www.headlice.org for a resource.

Check In & Check Out Times

Check-In: 3-5pm @ Camp Ehawee

Follow the signs for check in when you arrive on Camp property. Check in with the staff. She will receive her housing assignment and receive a wristband to wear while at camp. Turn in medications, Trading Post dollars and any mail you are dropping off.

Check-Out / Pick Up: 11am-Noon @ Camp Ehawee

Arrive at the time listed. When you arrive, you will be directed where to go to check-out your camper with staff. All persons picking up campers, parents included, will be expected to show a photo ID at the time of pick up.

Driving Her to Camp

Check-In: 3-5pm @ Camp Ehawee

Leave plenty of time to get her to camp between 3-5 on her first day! Plan ahead for construction and summer travel slowdowns on the interstate.

Pro Tip: Print the directions because GPS around camp is iffy and you don't want to get lost on those country roads!

Her Daily Camp Schedule

This is a sample schedule that varies depending upon your camper's program and the day's activities/ weather.

7:00am	Early Morning Activities (optional)	6:00pm	Dinner
7:15am	Rise and Shine!	6:45pm	All Camp Kapers
7:45am	Morning Flag Ceremony	7:00pm	Activities
8:00am	Breakfast	8:00pm	Daisies Snack and Ready for Bed
8:45am	All Camp Kapers	8:30pm	Older Snack and Get Ready for Bed
9:00am	Activities	9:30pm	Lights Out*
Noon	Lunch		
1:00pm	Me-Time		
2:00pm	Activities (Snack On-The-Go at 3)		*Times adjusted for older campers and programs with evening/ night activities.
5:45pm	Evening Flag Ceremony		

Flag Ceremony

Campers may get the chance to be part of the color guard in our morning or evening flag ceremony. Girls are selected by program and up to 6 girls can participate at each ceremony.

Kapers

Kapers are chores done daily at camp. By doing Kapers around camp and in their unit, campers learn responsibility and respect for their environment. Kapers may include sweeping, trash pickup, wiping table or a variety of other chores.

Camp Program Activities

Can include: swimming, canoeing, archery, Trading Post, creek hopping, art, nature, performing arts, sports, hiking, cooking, dancing, all camp games and activities specific to a camper's program.

Me-Time

Quiet time before dinner back in the camper's sleeping unit. Campers take this time to rest, write letters home, play cards with other campers or read.

Unit Time and Snack

Every night at camp we have a healthy bed-time snack. Favorites of campers include: apples and peanut butter, pretzels and goldfish, or grapes and bananas. Any night time medications are given at this time by Camp Ehawee's Health Supervisor.

Preparing for Bed/Quiet Time

Campers and staff brush their teeth and change into their pajamas. Some choose to read quietly or write letters home before going falling asleep. Our sleepest campers will start to doze off after a busy day.

Adjusting to Multi-Week Camp

Although many of our Leadership Campers have spent at least one week away from home before, it is quite natural to develop some homesickness when spending an extended period of time at camp. You may miss some comforts of home, including family and friends. We highly encourage campers to notify their Leadership Staff if they're feeling homesick so we can help find a way to alleviate the stress.

Parents and guardians having an encouraging attitude before and during camp will help prevent homesickness. Family and friends from home are encouraged to write short, cheerful letters. Each camper handles homesickness differently. Some need to talk about home and some need to talk about camp activities. Some need to be smothered in hugs and some don't. Counselors are trained to work with each camper to find what will help them.

Here are some hints to help prepare your camper for her stay:

- Discuss what camp will be like prior to your camper leaving. If you're learning about camp for the first time, take advantage of our knowledgeable staff. We are happy to talk to you and your camper prior to camp.
- Pack a personal comforting item from home
- Send a letter with her to open one of the first days

Coming Home

Sometimes the hardest part about camp is leaving! After spending two or more weeks at camp the transition back to "real life" can feel a little harder than previous summer camp sessions. Here are a couple tips to help your transition home:

- Don't over-plan your summer. Give yourself a few days to unpack and decompress before starting another adventure.
- Find a way to share your experience with family and friends. They may not understand the power of a closing ceremony, but they will relate to fun pictures and stories of your time at camp.
- Find ways to bring your camp life home with you. Stay involved by volunteering, staying in touch with camp friends, and using your finely honed leadership skills to bring the joy of camp to other areas of life.

Camp Care Kit

Surprise her with a Camp Care Kit given to her on the first day! The \$40 kit is loaded with fun items, including something cozy, something to light the night, something artsy, something for fun in the sun, and something plush to cuddle at camp. All the goodies are packed in a cute bag to carry it all. [Order a Camp Care Kit here.](#)

Living Units

All housing assignments are provided when your camper checks in at camp.

Cabin

Each log cabin features eight log bunk beds, a ceiling fan with light, covered porch, an activity table and separate counselor accommodations. The lodge has two large bunkrooms with an inside bathroom and showers. There is also a common area for program activities. The units are where campers spend Me-Time at Camp Ehawee. During Me-Time you can read a book, write a letter home, make friendship bracelets and spend time chatting it up with your new friends.

Platform Tents

Depending upon camp attendance, older campers may choose to live in the platform tents at Camp Ehawee. Campers live four to a tent with a tent of staff nearby. Each tent is outfitted with four beds with mosquito netting, a battery operated lantern and two tray tables.

TeePees

Similar to Platform Tent accommodations except they're awesome TeePees and sleep 3-4 campers. "Very cool," according to most Girl scout teepee campers!

Yurt

The Ehawee Yurt sleeps up to eight campers and includes a fan with sky lighting and is a unique and exciting sleeping destination for Girl Scouts.

Unit Houses

Each unit also has a Unit House which features an indoor activity area, running water, electricity, activity box and outdoor cooking necessities. You and your buddies can enjoy rainy-day camp activities and sing camp songs while crafting from the activity box. During cookouts, campers use the Unit House as a food preparation area and dish washing station.

Bathrooms

There is a bathroom facility in each unit with three flushing toilets and six hand sinks. Campers shower indoors at the Pool House.

Buddies

Campers can request up to 3 buddies to share living space with by completing the request when entering information into your [CampDoc profile](#).

Swimming & Canoeing

All campers are required to complete a swim check before participating in swimming/boating activities.

Swim Check

The swim check is designed to help the waterfront staff determine a camper's swimming ability and where she may safely swim in the swimming area. Each camper is required to demonstrate her level of comfort in the water and swimming skills. Depending upon the results of the swim check, campers are allowed to swim in both the shallow and the deep water or swim in the shallow area only.

Canoe/Kayak Tip Check

Campers who wish to use canoes or kayaks during boating time at the creek must participate in a tip test for the selected watercraft. The purpose of the tip check is to teach campers what to do in case they capsize. In the canoe tip check, two campers wearing life jackets, accompanied by a staff person and supervised by a lifeguard, tip their canoe. Campers then learn to turn the canoe back over, climb back in, and paddle to shore. Completion of the tip check enables a camper to use the canoes as a part of their camp activities. The kayak tip check is done singularly and must be completed prior to campers using the kayaks.

Trading Post

Your camper may bring spending money to shop at the Trading Post.

Payment Options:

- Place cash, check, credit card authorization form and/or Badgerland Bucks certificate in an envelope with your camper's name and program on it. This is turned in at check-in.
- If you prefer not to send cash, [deposit Trading Post funds](#) into your camper's account.
- She can charge her purchases on your credit card. Complete the credit card authorization form provided at the end of this packet ([page 17](#)).
- If you have more than one camper attending camp, send separate envelopes or note amount that campers can each spend on the Credit Card Authorization form.

Note: If you are a Girl Scout outside of Badgerland, contact us in advance about spending your council's version of Badgerland Bucks at camp.

Camper purchases are charged at the time of the visit. Campers visit the Trading Post 1-2 times depending upon their program and length of stay. Trading Post accounts set up electronically holding \$5 or less after camp will be transferred to a camp donation. Amounts over \$5 will be refunded by check within 1 month of the end of her camp program. No refunds can be given for amounts less than \$5.

Please do not mail spending money to your daughter during her stay at camp. It can very easily be misplaced or lost.

The Trading Post stocks camp essentials, fun items and camp souvenirs-friendship jewelry, camp t-shirt, sweatshirts, stuffed animals and more. Prices range from \$2-\$45. No food items are available for purchase.

Camp Food

Eating properly is an important part of a great camp experience. Good nutrition combined with great tasting food makes a happy camper! Meals are eaten family-style in Hope Lodge with at least one staff member at each table.

Our menu is full of camper friendly items. Here is an example of what a daily menu might look like:

- Breakfast: Scrambled eggs, sausage links, hash browns, grapes and milk (2% and whole milk option)
- Lunch: Chicken nuggets, tater tots, applesauce, salad bar and milk or juice option.
- Dinner: Spaghetti with veggie sauce, garlic toast, salad bar and milk or juice option.

Every day at breakfast, in addition to our hot meals, we offer cold cereals and toast. At lunch and dinner sandwiches are always an alternative to the main course being served. A salad bar is offered at meals served in the Dining Hall. Items on the salad bar may include: lettuce, carrots, tomatoes, cucumbers, celery, onions, broccoli, green peppers, cheese, cottage cheese, macaroni salad, potato salad, hard boiled eggs, Jell-O or pudding.

Food Accommodations

We are experienced at accommodating special food needs in an inclusive way. We offer food options that match the main meal for all campers whenever possible. If your camper has food restrictions or allergies, please note that with her [CampDoc](#) profile. Additionally, [if your camper has a medical or religious restriction make sure to include that information in her CampDoc profile.](#)

Don't Send Snacks

Please do not send snacks or candy to camp. Snacks and candy attract wildlife. Our Food Service Manager arranges for healthy, tasty snacks for the campers. If a camper becomes hungry between meals, there are always snacks available at the Dining Hall. Your camper just needs to tell her counselors and they will be more than happy to get her a snack as soon as possible.

Contacting Your Camper While She's at Camp

Letters

Cheerful letters from home can make her day. The first two days are the greatest adjustment days. Mail letters before your child arrives *or drop them into our camper mailbox during check-in.*

Send letters to:

<Camper's Name> | Program Name & Date | Camp Ehawee | N9581 Wild Road | Mindoro, WI 54644

Campers are encouraged to write home during "me-time." Considering sending pre-addressed and stamped envelopes with her.

Topics to write about:

- How much fun you know your camper is having.
- Cheery, funny things that have happened.
- Let her know you love her, but stress the great experience she is having and how she can teach you some of the things she learns at camp.

Topics to avoid:

- Sad or upsetting news about family, friends or pets.
- How terribly you miss her or statements that may bring on homesickness or a feeling of being left out.
- Family events that just weren't the same without her.
- Please do not ask your camper to call you.
- Do not to send candy, gum or food as it attracts animals/bugs in the units.

Email

This summer Camp Ehawee has no-cost one-way email service for families of resident campers. Send camper email to CampEhawee@gsbadgerland.org by 11am on the day you wish your child to receive the email. Provide your camper's name and program in the subject line. *Note: Please do not use this email for communication with the camp staff.*

Emergencies and Contacting Camp Outside of Business Hours

If you need to reach Camp Ehawee outside of Girl Scout business hours, call 608.406.2090.

If it's an emergency, outside of business hours, call these numbers until you reach someone:

- 608.630.0595 - Lori Astell
- 608.630.3281 - Christy Gibbs
- 608.250.0491 - Marci Henderson

Parent Communications

Before, during and after camp we will put additional and reminder information out through direct emails, www.gsbadgerland.org, and social media channels. Make sure that you have 'opted in' for emails in your [My GS account](#) at gsbadgerland.org. This will ensure that you don't miss any email reminders that we distribute.

Cell Phones and Phone Calls

Counselor-In-Training Campers are permitted to bring a cell phone to camp. Phone usage will only be permitted during weekly calls home and will be stored securely in the camp offices when not in use. We view this as a privilege and an essential part of providing increased responsibility for our Leadership Campers. We reserve the right to suspend cell phone usage if phones are used inappropriately or if photos or other information is posted to social media. We restrict this for the safety and privacy of all campers.

Counselor-In-Training Campers will be provided a window of personal time to make calls home every Sunday between 1-4pm. They also have the option to use the camp phones rather than bring their own.

As a parent, you are always welcome to call or email the camp office (608.406.2090) at any time and inquire about how your camper's time at camp is going. As her counselors know her best, we will check with your camper's staff at the next mealtime and give you an update via phone or email within 24 hours.

Laundry

Campers attending for two weeks or less do not have access to laundry facilities except for emergencies. A washer and dryer are on-site in the event a camper's clothing or bedding need to be cleaned or dried. For most drying needs, clotheslines in the sleeping units are sufficient.

Lost and Found

Lost or forgotten items may be picked up at the Girl Scout Service Center in Madison through August 31. Items can also be shipped at the expense of the camper's family. After August 31, they will be given to charity and no longer available. Please label belongings clearly and do not send items that are expensive or of great personal value. Check out the Lost & Found Gallery at gsbadgerland.smugmug.com to see if anything is familiar.

Visiting Camp

Parents/Guardians may not visit camp once their camper's program has begun. One of the goals of camp is to help girls become more self-confident and independent. Parents/Guardians are welcome to tour camp on check-in day or with your camper upon check-out.

Accommodations

As a Girl Scout Camp, we do everything that we can to accommodate camper needs and providing girls with an excellent camping experience. We request that you inform the Camp Director of your camper's needs prior to her attending camp by providing complete information in [CampDoc](#). This provides us the opportunity to work together to ensure your camper's needs are met and that there is adequate staff coverage. We request that you contact us with information on any special needs no less than 1 month prior to camp attendance or immediately upon registration if after that date. Contact information is located on the front cover of this packet.

Financials

Deadlines

Full payment for all campers is due by June 1. If the balance is not paid, your camper will not be permitted to check in on the day of camp. Payments must be made in advance. Payments cannot be accepted on-site.

Making Payments

Pay your balance by logging in to your [My GS](#) account or call us for payment support: 800.236.2710. Additional follow-ups will occur beginning in May for camper accounts with a balance. Payment follow-up is by phone and/or sent electronically to the email associated with the camper's Girl Scout account. Badgerland Bucks may be used to pay camp attendance fees. All payments should be made online, or dropped off, or mailed to:

Customer Care | Attn: Camp | GS of WI-Badgerland Council | 4801 S. Biltmore Lane | Madison, WI 53718

Paying with Badgerland Bucks

Complete the [Badgerland Bucks reimbursement form](#) or contact us: 800.236.2710.

Deposits, Cancellations and Refunds

No matter when registration is made, the registration deposit amount is non-refundable unless the program is cancelled by Badgerland Council. In the event of program cancellation, you will be contacted one month prior to the start of the program and provided options for your camper's summer experience.

If you have a change in plans and your camper cannot attend camp, contact us at 800.236.2710 or info@gsbadgerland.org. Failure to notify Badgerland will make your camper ineligible for any refund. Please review the cancellation and refund policy below.

Refund Policy

Refunds will be issued in:

- The event of illness or critical family emergency if Badgerland is notified prior to the start of the session. In case of illness, a written refund request (including a statement from the attending physician) must be submitted within one week.
- Cancellations received in writing at least three weeks before the start of the session are eligible for a refund, less the deposit.
- Full fees, including deposit, will be refunded in the unlikely event the program is canceled.
- Campers who leave early due to homesickness, parental request or Code of Conduct violations are not eligible for refunds.

Camper Code of Conduct

Camper behavior is important to camper safety. All campers must abide by our camper Code of Conduct found on [CampDoc](#). It is up to you, as the parent/guardian, to go through this information and make sure your camper understands it. You, as the parent/guardian, are also responsible for understanding the consequences and responsibilities if your camper does not abide by the agreement. As a result of a violation of this agreement, a camper will be asked to leave camp at the parents' responsibility and expense.

Packing List

Campers are responsible for all items brought to camp. **Mark belongings with camper's name in ink or with name tape to prevent loss.** Limit luggage to one suitcase, Rubbermaid bin, or duffle bag; one backpack/small bag and a sleeping bag. Bring the essentials but make sure not to over pack. All camper gear is transported to the unit by the camper and whoever brings her to camp.

DRESS LIKE A COUNSELOR: Many younger campers will look to you as a role model. It's time to start thinking like a Camp Counselor! Please avoid clothing items that you wouldn't see a professional camp counselor wear while leading campers.

Camp Ehawee is not responsible for lost, damaged or stolen items.

CLOTHING

- T-shirts (6-8)
- Sweatshirts (2-3)
- Shorts (4-6)
- Jeans, wind pants or sweatpants (2-3)
- Socks (10-12 pairs)
- 2 pair close-toed shoes (either athletic shoes or hiking boots)
- Pajamas (no undergarments showing)
- Undergarments (one per day)
- Swimsuit (1 or 2) and beach towel
- Bras (sport bras are usually best)
- Hat or bandana
- Rain jacket or poncho
- Shower/water shoes (flip flops or water shoes)

PERSONAL CARE

- Shower towel and washcloth
- Body soap
- Shampoo and conditioner
- Toothbrush and toothpaste
- Brush or comb
- Sanitary napkins or tampons (if needed)
- Sunscreen and lip balm
- Mosquito repellent (non-aerosol only)
- Lotion

WHEN YOU GET HOME

Check your belongings for missing items! Due to limited space, lost and found items are only held for 14 days after her camp ends. Lost and found clothing items are donated to a local non-profit after 2 weeks.

GEAR

- Pillow and pillow case
- Warm sleeping bag or sheets and blanket
- Sleeping Pad (for campouts)
- Flashlight or headlamp with extra batteries
- Water bottle
- Laundry bag for dirty clothes
- Small backpack to carry gear to/from shower house
- Medication/vitamins (pack separate to turn in at health check)
- Mess Kit

OPTIONAL ITEMS

- Camera and film
- Digital camera
- Digital Music Player
- Stationery/Envelopes/Stamps
- Pens and Journal
- Cards or quiet games
- Girl's Guide to Girl Scouting/Journey Book(s)
- Compass
- Something to read
- Stuffed animal
- Money for Trading Post

DO NOT SEND THESE ITEMS

- Sandals, including sport sandals or shoes with openings unless for shower/waterfront
- Curling iron, flat iron, etc
- Halter tops with open backs

There are other routes to Camp Ehawee. This route provides the simplest set of directions.

From the South

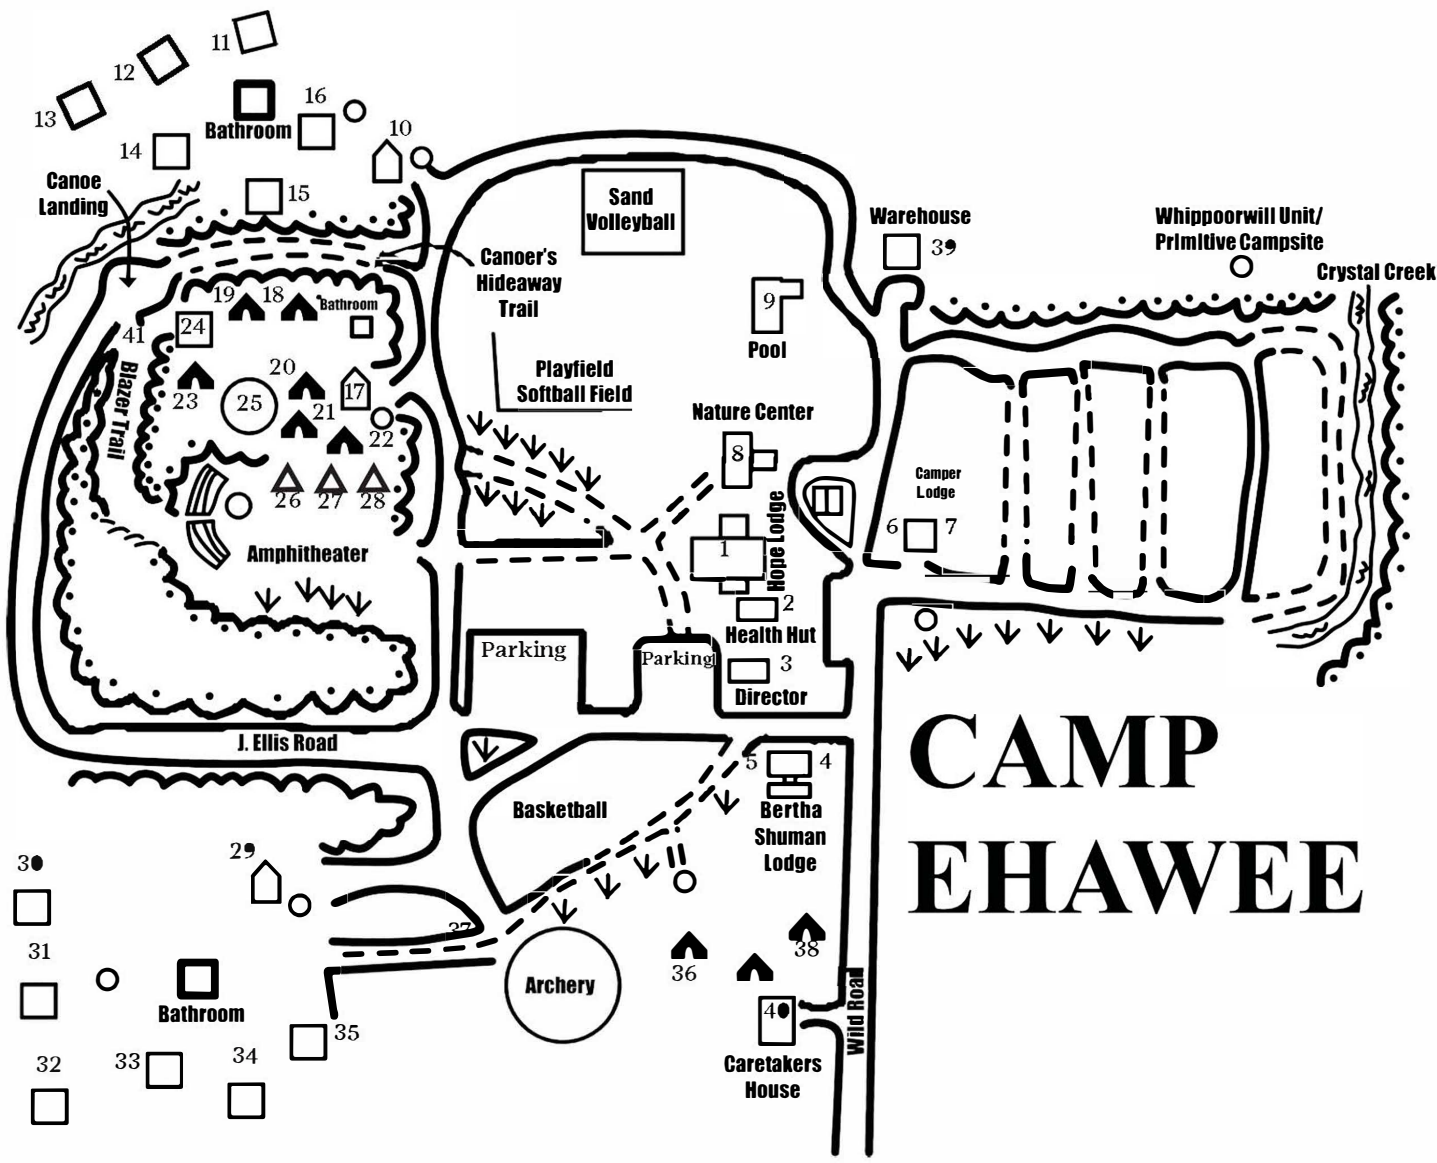

The trip is around 150 miles and takes about 2½ to 3 hours when starting in the Madison area.

- Take I-90 W toward Tomah/La Crosse Go left at I-39 split and the I-94 split
- Take **Exit #28** (Sparta) off of I-90 onto WI-16 W
- Turn **right** onto WI-71 W/North Black River St. (Major 4-way intersection with Walgreens on the right). Travel appx 9 miles.
- Turn **left** and continue to follow WI-71 W where WI-27 continues north. Travel 7.6 miles.
- WI-71 ends in a T at State Rd. 108.
- Turn **left** and take State Rd. 108 S for 4.2 miles
- Continue straight onto County Rd C for about a half mile. (If closed for construction, follow the detour.)
- Turn **right** onto County Hwy Q and travel 3.4 miles.
- Turn **right** onto Wild Rd. (after the cows) and travel to the end of the road into camp.
- Turn left and park in the large parking lots.

From La Crosse

The trip is around 25 miles and takes about 35 minutes.

- Head East on Hwy 16 towards West Salem
- In West Salem take a **left** onto County Rd M
- Follow County Rd M through 3 stop signs:
 - first stop sign is a **right**
 - second stop sign is a **left** then **quick right**
 - third stop sign is straight through
- Turn **right** onto County Rd Q
- Turn **left** onto Wild Rd.
- Wild Rd. dead ends into Camp Ehawee
- Turn left and park in the large parking lots.
