Last Chance to Order Cookies: April 15

Do you need cookies to fill your Cookie Shares? Planned orders placed on April 15 should be in PACKAGES (rather than cases.). Flavors are NOT guaranteed.

Giving Girls Credit for Troop Direct Ship Cookies

This year GSUSA allowed each troop to have a Troop Direct Ship link that is randomly placed on the cookie finder page. This allows for a customer to support a local troop if they don't feel comfortable going out to a booth OR doesn't personally know a Girl Scout.

You will see these orders come through with an order number with "TDS" in it. When you are wrapping up your sale and doing your transfers to girls, go to Orders > Troop Direct Ship Orders, scroll to the bottom, and click on Distribute Orders to girls. This feature works just like the Smart Booth Divider. You indicate the girls that are selling and distribute those troop direct ship orders to those girls.

Girl Rewards & Recognitions

When placing the "main" recognition order, remember to choose the "extra" items

for the girl. These include the cookie booth patch, cookie share patch, and online patch. To determine if a girl earns the online patch, please go to Reports>Current>Orders>Mobile and Ecard Summary report. On the Ecard direct Ship line if she sent at least 15 “invites”, she has earned the online patch.

Troop Rewards Orders

Before you place your Troop Reward order, make sure you have the correct "plan" selected, based on the number of girls selling (1 girl vs. 2 or more). To check if your troop has the right one selected, go to My Troop > Troop Information. The info is right above the bank data.

Next ACH Withdrawal is April 14

The second cookie payment will be pulled Wednesday, April 14. The debit from your troop bank account will reflect 40% of what is owed, according to reports on Smart Cookies as of April 7. **The third and final ACH Withdrawal will be May 5**, at which time the final balance due will be debited. Be sure to deposit all cookie money into the troop account by April 25.
