ADVENTURE POINTS

Girls who sell 408+ boxes earn Adventure Points in addition to one Level 4 Reward on the Girl Rewards page. HOW ADVENTURE POINTS WORK: Girls earn the number of APs at their final earning level, but they can be mixed and matched from multiple AP levels. For example, if a girl earns 16 Adventure Points, she could choose 1 thing from the 16 AP level; OR 2 Weeks of Summer Camp (13 APs) AND \$75 Badgerland Bucks (2 APs) AND a Wisconsin State Parks Pass (1 AP); they all add up to 16 APs.

Girls who sell 408-599 boxes should let her troop leader know which item from the 1 AP level she chooses. Girls who sell 600+ boxes (2 AP or higher) will be contacted by Badgerland after the sale to choose how she wants to spend her Adventure Points.

Badgerland Bucks

These come in the form of a gift card and can be used on items in our shops, or to cover memberships, program and camp fees.

Philanthropy Reward

Instead of choosing a traditional reward item, girls can make a donation to the **Bee & Butterfly Habitat Fund**, an organization that establishes pollinator habitats to ensure the honey bee and monarch butterfly populations thrive. Girls who choose the Philanthropy Reward earn a free patch.
