Girl Scout Cookie Donation 2021

The Dane County Dairy Promotion Committee is donating one half-gallon of milk* for every box of Girl Scout Cookies our troop donates to your food pantry! You don't need to do anything now, but Second Harvest Food Bank will be in touch to coordinate the milk donation at a later date. Please keep this slip of paper for your records until the milk has been delivered.

If you have questions regarding the milk donation, contact John Haag, Dane County Dairy Promotion Committee Chair, at jahaag5@gmail.com.

*A total request of up to \$3,000 worth of milk county-wide will be honored. If the \$3,000 limit is reached, the donation(s) will be distributed to the food pantries in proportion to the total number of cookie boxes donated to each pantry.
