

How Girl Rewards Work

Girl Scouts earn rewards based on all cookies she sells, including Cookie Share cookies, digital cookie sales and booth sales. Before the sale begins, girls choose one item at each earning level that she would like as her reward. After the sale, she'll earn the reward she chose at whatever selling level (number of boxes) she achieved. These rewards are not cumulative. Check out the rewards flyer on pages 22 for more info.

Instant Rewards

This year all girls will receive their Participation Patch (24 boxes) and stress-relieving squishy bee (60 boxes) from you as soon as they turn in money for those cookies sold. The patch and squishy bee will be available from your PSL at the beginning of the sale. When your girls achieve that level, request the items from your PSL then celebrate your cookie-selling Girl Scouts at the next troop meeting.

Earned Patches

Girls earn bee-themed patches depending on their involvement. Troop leaders will select these when placing the girl rewards order in Smart Cookies at the end of the season. Girls earn patches with they:

Achievement Bars

Each girl will receive an achievement bar representing her highest level of boxes sold (in 100 box increments) starting at 100+ boxes. Number bar patches will be calculated automatically.
