

Key Messages for Troops to talk to Customers about RASPBERRY RALLY COOKIES *(Now Sold Out)*

- The new Girl Scout cookie that was only available for online sales is officially sold out.
- Due to the overwhelming popularity of the new Raspberry Rally cookie, our baker's inventory sold out prior to our cookie sale starting.
- We expect to have it fully in stock and available next year.
- But here's the great news: all your FAVORITE flavors are available right now!
- That includes Adventurefuls that you may not have been able to try last year when it was new and hard to find because of all the supply chain shortages last year. Adventurefuls are inspired by brownies with caramel creme on top. Try it and see how it compares to your other favorites.
- The favorite cookie flavors can all be purchased in person at our cookie booth or online through my digital cookie store.
- Fun fact: In Badgerland Council, there are three cookie varieties that are runaway bestsellers: Thin Mints, Caramel deLites, and Peanut Butter Patties.
- Those three cookies account for 61% of ALL the cookie flavors we sell.
- Lemonades are some people's very favorite cookie and making delicious L'mores (sandwich a marshmallow in between two Lemonades and you'll never go back to a traditional S'more after trying it). Lemonades are our 4th best seller.
- Thank you for supporting our Cookie Program!
