RENEW THE TROOP

2020 Troop Renewal Incentive

May 1-31

Troops renewing *anytime in May* will receive:

- 2 Co-Leaders + 5-7 girls = \$50 to the troop
- 2 Co-Leaders + 8-11 girls = \$100 to the troop
- 2 Co-Leaders + 12 or more girls = \$150 to the troop

Get a little more!

Your troop receives an additional \$25 if you renew 100% of your girls (new girls can replace existing members who may not be returning) *and* enough volunteers for safety ratio.

The Fine Print Requirement

All Girl Scout troops are required to complete and submit Troop Financial Activity Reports by June 30. Your troop TFAR must be submitted on time to receive the incentive dollars.

EXTRA EXTRA! NEW GROW-YOUR-TROOP INCENTIVE

If your troop adds two new members (girls or adults) in May, the troop will receive an additional \$25 and *all the girls get the Make New Friends patch!* Another bonus: Your new members can take advantage of our pro-rated Extended Membership opportunity which allows them to join now and their membership extends through September 2020!

Troops earning incentive dollars will have the money deposited in their troop account by September 1.
